

THE MIXOLOGIST'S WORD

Having grown up in a family of restaurateurs in Brittany, I have been passionate about the hotel business since childhood.

My interest in the world of the bar quickly developed through experiences, especially in Paris, the city of heart and history of many classic cocktails.

I invite you to travel through a wide range of international spirits and to discover new signature recipes, with gourmet, fruity and sometimes even spicy aromas.

One of my favorites, the world of Gin, which offers an unexpected and subtle experience around the marriage of botanicals.

The entire service team of the Bristol Hotel wishes you a pleasant moment of tasting.
Cheers !
